## CIGARS

### LIGHT

**HOYO DE MONTERREY EPICURE ESPECIAL - SLB** .....45.8

**Size:** 4 7/8 Inches x 50 Ring Gauge

**Length:** 4 7/8 Inches x 50 Ring Gauge

*The Hoyo de Monterrey Epicure Especial was introduced to the main Cuban cigar portfolio at the Habanos Festival in 2008. Very rich, with varied notes that include coffee, earth and cocoa powder, and a touch of graham cracker. Complex but not too strong, making it a very approachable Cuban.*

### LIGHT-MEDIUM

**HUPMANN HALF CORONA** .....23.5

**Size:** 4 7/8 Inches x 50 Ring Gauge

**Length:** 3 1/2 Inches x 44 Ring Gauge

*Herman Upmann was a banker from Germany who so loved Cuban cigars that he moved to Havana in 1844 and set up as both banker and cigar maker.*

*His bank closed in the early 1920s but his cigars live on as a fine example of an elegant, light to medium flavoured Habano.*

### MEDIUM

**ROMEO Y JULIETA NO 3** .....24.7

**Size:** 4 5/8 Inches x 40 Ring Gauge

**Length:** 4 5/8 Inches x 40 Ring Gauge

*Part of the Romeo y Julieta line for over 60 years, it delivers bright and fresh flavours with medium body and great strength throughout. Rustic smoke, with bitter hints that intensify towards the end. Simple and unpretentious. Pairs very well with coffee*

# P<sup>'</sup>T

## MEDIUM-FULL

### **MONTECRISTO PURITOS MINI CIGARILLOS** ..... 4

**Size:** 4 7/8 Inches x 50 Ring Gauge

**Length:** 4 1/4 Inches x 26 Ring Gauge

*Montecristo is the best known and probably most appreciated brand of Habanos throughout the world. It forms the benchmark for many Habanos smokers against which other brands are judged.*

*The name comes from the hero of Alexandre Dumas' famous novel 'The Count of Montecristo,' which was a firm favourite when read by the Lector to the Torcedores (cigar makers) at the factory where it was founded in 1935.*

### **MONTECRISTO PETIT EDMUNDO - SBN** ..... 38.8

**Size:** 4 3/4 Inches x 52 Ring Gauge

**Length:** 4 3/8 Inches x 52 Ring Gauge

*Created in the new H. Upmann factory in Nuevo Vedado in 2006 following the success of the Hoyo de Monterrey, this cigar delivers an opulent palate full of rich cocoa bean, sweet earth and pleasant floral notes that crescendo to a long, nutty finish.*

### **COHIBA ROBUSTOS** ..... 78.5

**Size:** 5 1/2 Inches x 48 Ring Gauge

**Length:** 4 7/8 Inches x 50 Ring Gauge

*Robustos de Cohiba is a Habano made with the most select tobacco leaves harvested in Vuelta Abajo. The most experienced twisters have been destined for its manufacture. Its delicate aroma and exquisite flavor will make you endure the unequalled pleasure of smoking a cigar. Very balanced with a creamy smoke texture.*
